Superintendent of  
The Mint of the United States  
at Philadelphia, Pa.

Dear Sir:

We have your esteemed favor of the 15<sup>th</sup> inst. and contents noted.

In reply to the same I would say that the light colored crucibles sent you on April 15<sup>th</sup> ult. are manufactured by Messrs. Conrad Liphard & Söhne. - By ordering the same you will, please, term them "Round Hessian Sand Crucibles, size 2<sup>nd</sup> of halves, C.L. & S. brand".

The price of the same is by ordering a cask holding about 250 crucibles \$9.<sup>00</sup> per 100 and by a barrel holding about 60 crucibles \$10.<sup>00</sup> per 100; delivered free at the Mint. (all charges of freight and delivery prepaid.)

These crucibles do not bear any stamp on account of being the second one out of a nest, the outside crucibles are always stamped.

Please, place your orders for Sand Crucibles with us direct, & oblige

Very Respectfully,  
J. Goebel & Co.
